

Atlantic Security Systems Inc.
Mission, Vision, and Values Statements

Our Mission:

To provide genuine, affordable security solutions for homes and businesses, to gain the trust and confidence of our customers, and to exceed customer expectations for quality and professional service.

Our Vision:

To be second to none in quality of design, installation and service as the leading provider of custom-designed security solutions in the quad-state area.

Our Values:

- Integrity An unwavering commitment to always do what is right, regardless of the consequences.
- Excellence Striving for the highest standard of performance in all actions, both personal and professional.
- Accountability Acknowledging and assuming responsibility for actions, products, decisions and policies, including the obligation to report, explain and be answerable for resulting consequences
